

UNITED STATES — EDUCATIONAL INTELLIGENCE MEMORANDUM

(Format emulation only. Not issued by the Department of Justice.)

PUBLIC-SOURCE CEILING. Educational OSINT. No unauthorized access.

FROM: STRAND Permanent Agency (HOOK / STAMP / SPLIT / WEFT → HIVEMIND)
TO: THE 1953 TRUST standing file
DATE: 23 September 2026 — Cycle 029 (~18:50 PDT)
SUBJECT: Archive.org collection mesh + Drive LEADS crosswalk; pour-over primary mirrors
REF: C001–C028; LEADS_1953_TRUST_HOUR1; user Archive.org seed list

I. EXECUTIVE ASSESSMENT

Cycle 029 ingests the operator’s Archive.org seed list and the Drive LEADS file (LEADS_1953_TRUST_HOUR1_2026-09-09.md) into the permanent 1953 Trust graph. Public mirrors on Internet Archive re-host court filings, EFTA Bates pages, and the pour-over will that name **THE 1953 TRUST**, Indyke, and Kahn as co-executors / trustees. This cycle does **not** download sealed content, does not access non-public markets, and does not treat civil allegations as adjudicated facts. Status locks from C027–C028 hold: Ward still ECF 444–446 cluster; hearing 2 Dec 2026 14:00 ET; no 28th accounting; SDNY/FBI inquiry field still **UNCHARGED**.

II. AGENT LANES

HOOK. Archive.org identifiers confirmed public: archive.org/details/6309178-Epstein-will (will + pour-over language to 1953 Trust); archive.org/details/07.13.2020.001-st-20-cv-155-exhibit-a (GVI First Amended Complaint naming Indyke/Kahn as administrators of The 1953 Trust); archive.org/details/efta-00162121 (EFTA Bates / SDNY & USVI pleadings); archive.org/details/03.12.2020.001-civil-complaint-maxwell-vs-epstien (Maxwell v Estate/Indyke/Kahn/NES); archive.org/details/03.03.2020.001-verified-inventory (entity/officer inventory; Haze Trust 1994 adjacency). Folkscanomy hosts jeffrey-epstein-files-full (uploader HUMANRIGHTS, Jul 2025). DOJ dataset mirrors (data-set-1...8; doj-epstein-files-dataset8-2025) are community re-hosts of justice.gov/epstein material.

STAMP. LEADS-001/007 Valar concentration (~\$172M narrative vs 27th accounting \$107.645M gross) remains the dominant residual-asset class. Payment shells in GVI Second Amended Complaint text on IA: HBRK Associates (Kahn), Coatue Enterprises (Kahn), Birch Tree BR (Indyke), Harlequin Dane (Indyke), Darren K Indyke PLLC — prior graph nodes reinforced, not newly invented. Will schedule language (public mirror): residue to then-acting Trustees of The 1953 Trust dated 8 Aug 2019.

SPLIT. Drive LEADS file upgrades: Celina Edith Dubin off / Maxwell on in Jan→Aug 2019 restatement window (LEAD-003); Kahn signature 10 Aug / Indyke 15 Aug counterpart chronology (LEAD-008); redacted female band ≥\$73M (LEAD-009 — no deanonymization). Secondary archives (Tommy Carstensen graphs; Jmail; epsteinexposed EFTA00099303 / EFTA01266204 viewers) are tertiary indexes pointing at the same public Bates pages.

WEFT. Pattern: Archive.org functions as a *public-source mesh* for (1) USVI probate filings, (2) GVI civil enforcement exhibits, (3) EFTA FOIA mirrors, (4) folkscanomy/community dumps. User seeds @sixty91files, government-documents, usgovernmentmirrors, nationalsecurityarchive, nsia_contributions, folkscanomy, @humanrights are collection hubs — not automatic 1953 corpus nodes. Connection rule: only link when a document text names the trust, will pour-over, Indyke/Kahn fiduciary role, or a already-mapped shell entity.

III. NEW / UPGRADED NODES (C029)

Node	Source type	Public book	Bridge to 1953
6309178-Epstein-will	IA primary mirror	Will Art. SECOND pour-over to Trustees of The 1953 Trust 8 Aug 2019; Indyke/Kahn executors; Nikolic successor	Instrument birth + fiduciary appointment
GVI ST-20-CV-155 Ex. A	IA full text	Indyke/Kahn administrators of The 1953 Trust; Certificate of Trust ~26 Aug 2019	USVI AG civil track → trust admin role
EFTA00162121 mirror	IA / EFTA Bates	140+ accounts claim; payment shells HBRK/Coatue/Birch Tree/Harlequin Dane/DKI PLLC	Reinforces STAMP shell graph
Maxwell ST-20-CV civil	IA complaint	Defendants Estate, Indyke, Kahn, NES LLC; probate petition 15 Aug 2019	NES adjacency; executor capacity
Verified inventory 03.03.2020	IA	Indyke president / Kahn secretary-treasurer; Haze Trust 1994 agreement excerpt	Historical vehicle adjacency
folkscanomy + HUMANRIGHTS	IA collection	jeffrey-epstein-files-full uploaded Jul 2025 under folkscanomy	Secondary dump index only
DOJ dataset IA mirrors	Community re-host	DataSet 1–8 / Dataset8 complete archive (~10k PDFs)	EFTA page hunting for Schedule A / bequest map
LEADS Hour-1 (Drive)	Project lead log	10 leads: Valar residual; admin=beneficiary; Dubin→Maxwell swap; no 2019 interview claim	Crosswalk into G- gaps
EFTA00099303 / 01266204	Public Bates viewers	32-page 1953 Trust restatement; Shuliak/Indyke/Kahn priority slots	Primary instrument text already on graph

IV. CONNECTION MAP (USER SEEDS → 1953 GRAPH)

- archive.org/search.php?query=subject%3A%22Jeffrey+Epstein%22 — entry point; filters to will, GVI exhibits, EFTA mirrors.
- archive.org/details/folkscanomy + [folkscanomy_miscellaneous](https://archive.org/details/folkscanomy_miscellaneous) — hosts community Epstein dumps; not exclusive 1953 source.
- archive.org/details/@humanrights — uploader of jeffrey-epstein-files-full; tertiary.
- [government-documents / usgovernmentmirrors /](https://www.usgovernmentmirrors.com/) [nationalsecurityarchive /](https://www.nationalsecurityarchive.com/) [nsia_contributions](https://www.nsia.gov/contributions) — general gov-doc hubs; hit only when EFTA/GVI Bates appear.
- [@sixty91files](https://@sixty91files.com/) — user-named collection; no discrete 1953 Trust item confirmed this cycle beyond broader Epstein search adjacency (continue HOOK).
- Drive LEADS_1953_TRUST_HOURL1 + STRAND memos C001–C028 already in folder 1wiXh3en7s8H7BKIXEWWr6pDIlxStx0xF.

V. STATUS BOARD (UNCHANGED LOCKS)

- Instrument: THE 1953 TRUST pour-over 8 Aug 2019; restates Jeffrey E. Epstein 2019 Trust (18 Jan + 4 Feb 2019).
- 27th USVI accounting to 30 Jun 2026: \$107.645M gross / ≥\$27M liabilities. No 28th.
- Ward 1:24-cv-01204-AS: last public ECF 444–446; hearing 2 Dec 2026 14:00 ET.
- Inquiry field 23 Sep 2026: UNCHARGED (NYT/WSJ/NBC). Biase non-comment; Ruzumna no-subpoena line.
- 08047 Woods III: freeze at ECF 12.

VI. OPEN GAPS (G-01–G-124)

Prior G-01–G-118 carried. New this cycle:

- **G-119** — Full page-level Schedule A / beneficiary table from EFTA00099303 or EFTA01266204 with Bates cites.
- **G-120** — Primary PDF of Certificate of Trust (≈26 Aug 2019) on open USVI or IA mirror.
- **G-121** — [@sixty91files](https://@sixty91files.com/) item-level inventory vs 1953-named documents (still sparse).
- **G-122** — Whether any IA mirror contains the special-master confidential 1953 description later sealed (NYT Jun 2025 narrative).
- **G-123** — LEADS-006 decant letter primary text if/when public.
- **G-124** — Valar 2026 maturity notices public LP/SEC residue path.

VII. AUTONOMOUS NEXT STEPS (C030)

1. HOOK: crawl IA identifiers for Certificate of Trust + EFTA Schedule A pages; log Bates.
2. HOOK: CourtListener ECF ≥447 and 08047 ≥13 negative-control.
3. STAMP: table 27th \$107.645M vs Independent \$127M vintage vs Valar ~\$172M claim (LEADS-001).
4. SPLIT: map Dubin renunciation April 2020 public statement against Aug restatement property slots.
5. WEFT: keep inquiry UNCHARGED; treat IA community dumps as mirrors, not new originals.

VIII. HIVEMIND NOTE

Archive.org is a public lattice of already-released court and FOIA material. Connecting a collection URL to THE 1953 TRUST requires a document that names the instrument, the pour-over, or the fiduciary roles — not mere co-location in an Epstein subject tag. Allegations in GVI/Maxwell pleadings remain allegations. Permanent mission continues.

Prepared 23 September 2026. STRAND educational mesh. Public / open-court sources only. Cycle 029.
